November 25, 2020

Dear Frassati Families,

I hope you are enjoying a wonderful Thanksgiving week.

On November 19, 2020, I advised you that Frassati will maintain in-person learning for our students, even though the White Bear Lake Area School District is moving to distance learning for all district students effective November 30. You will be responsible for transporting your child(ren) to and from school every day, since the district will not be providing bus transportation during this time of distance learning for the district.

I have decided to keep our current schedule as is through December. The schedule will remain 7:35 AM - 2:40 PM Monday-Thursday and 7:35 AM - 2:10 PM on Friday. Given the uncertainty of the district's learning plan moving forward, I discerned that maintaining our current schedule was in our best interests.

Possible schedule changes after the Christmas break will be discussed with the School Advisory Council at our meeting on Tuesday, December 1, 2020. I will also consult staff and the Board of Directors prior to making any changes in our schedule.

On behalf of the Frassati teachers and staff, I wish you a happy Thanksgiving. The past nine months have been a challenge but they have also provided time for us to slow down and focus on the things that matter most, our families.

Mr. Patrick Gallivan Ed.S.  
Principal
