

Retirement News

Frassati Catholic Academy is blessed with outstanding teachers who work together to provide an exceptional education for our students.

Ms. Lynch, first grade teacher, and Mrs. Reibel, physical education teacher, will be retiring at the conclusion of this school year. Thank you for sharing your talents with us. You will be missed!

Becky Lynch

I have enjoyed teaching at Frassati Catholic Academy and feel privileged to have been a part of the Frassati community for the past seven years. Prior to FCA, I taught for 17 years at St. Pius X. It has been a joy to teach first graders and help them grow and develop academically, socially and in their faith. The energy and enthusiasm that is part of everything first graders do, made coming to school each day an exciting adventure! I will certainly miss the children, as well as the colleagues and friends I have made over the years.

My plans for retirement are to see the end of Covid 19, do some traveling, catch up on lots of reading, and learn some new things as well. The Frassati community will always be in my heart and my prayers.

Sandy Reibel

It goes without saying that what I will miss the most are the students and their families. Especially seeing the look on a students face when they accomplish a skill for the first time. I'm grateful for all of my wonderful co-workers throughout my 42 years, from the teachers, to administration, secretaries, nurses, and the priests. I always looked forward to the end of the year Field Day and will never forget being able to help plan out the building of our outstanding gymnasium.

What I look forward to the most going forward is being able to spend more time with my grandchildren and the rest of my wonderful family. Also, I look forward to more time for crafting and travel.

Kidcreate Studio met with our preschool - 3rd grade students last week. Students had the opportunity to work with clay and paint. Preschool and kindergarten students made monsters, first and second graders made trinket boxes, and the third grade classes made animal pinch pots. It was fun to see all the final products!
