The Extended Day program decorated the building with positive messages. These were fun to see when we returned from spring break! Thank you!

# Pie Throwing Fun!

Thank you, Falcon community, for donating to our recent food drive. Together we collected 459 pounds of food for the Hugo Good Neighbors Food Shelf. Thanks also to Mrs. Heinz and the middle school ambassadors for all their work on this project.

Students who brought in food donations were able to sign up to throw a pie in the face of an 8th grader or teacher. As you can see below, this event brought lots of smiles and laughter to all!
