## Welcome Back Falcons!

Best wishes to all our students and staff. May the year be full of discoveries, learning, making new friends and having fun!

### THANK YOU!

We're thrilled to receive a grant for tuition assistance from the Catholic Community Foundation (CCF) in support of our scholars. Thank you to the many donors — present and past — whose generosity to CCF's endowment funds yields these grants each and every year to support the students most in need.
