

Patrick Gallivan has offered and Fr. Talbot has accepted his resignation as Principal of Frassati Catholic Academy, effective immediately. I offer my thanks to Patrick, who served as Principal of St. Mary of the Lake School (2009-2013) and Principal of Frassati (2013-2022). I want to acknowledge Patrick's valuable service to the young people of our community by listing some of his many accomplishments, including:

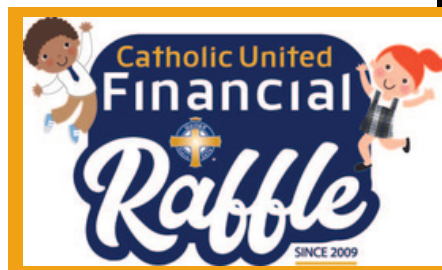

- Successfully assisted with the merger of St. Mary of the Lake and St. Pius X into Frassati Catholic Academy.
- Secured grants to pay for STREAM training at St. Catherine University for all faculty at Frassati.
- Navigated the school through COVID, moving the school to online learning and then to in-person learning.
- Secured grants, state and federal money, and other funding that advanced the education and formation of students and the development of teachers.
- Oversaw the creation and funding of the Learning Lab, which provides additional support and specialized instruction to students.
- Supported the creation of the Chapel of the Beatitudes at Frassati.
- Created the Frassati Endowment Fund, with the goal of long-term financial stability for the school, and the Frassati Fund, which supports teacher development and tuition assistance.
- Oversaw the accreditation of St. Mary of the Lake School and Frassati Catholic Academy.
- Oversaw accreditation of the Frassati Preschool.

On behalf of the Frassati community, I extend my gratitude and best wishes to Patrick and his family. Mary Kay Rowan will assume the responsibilities of principal through the end of the school year. Mary Kay is a retired teacher and principal who has been serving at Frassati since August 2022. I am grateful for her willingness to continue that service with her new duties.
