## PHYSICAL EDUCATION

### Elementary and Middle School

1 pair of tennis shoes (to be kept at school)\*

### Middle School Only

Middle School students need to change out of their school uniform for PE classes. Shorts or sweatpants and an appropriate t-shirt are needed. In the fall and early spring, it can be chilly outside. A sweatshirt, other than the school uniform one, is needed. There will be time to change before and after class. Stick deodorant is recommended.

\*Please make sure your child is wearing appropriate shoes for physical education class. **Shoes should have laces or Velcro and a non-marking sole.** NO zippers or slip-on shoes. Zippers can scratch someone or pop a ball, and those shoes have a tendency to loosen up and fall off.

Students need to wear tight-fitting shoes that they can tie. Many popular type shoes have loose fitting laces and this creates performance and safety issues.
