Admissions and Registration

Admissions Policy

Frassati Catholic Academy complies with state and federal laws prohibiting discrimination to the end that no persons(s) shall be denied or excluded from enrollment or participation in any educational program or activity operated by the school on the basis of race, color, national or ethnic origin, gender or age. Frassati Catholic Academy admits students of any race, color, creed and national or ethnic origin. Students must be 5 years of age by September 1st to enter Kindergarten.

Registration

Student registration occurs in late January or early February each year. Registration is first open to current Frassati Catholic Academy families (PS-8). Priority is then given to members of the sponsoring parishes, then to families from other Catholic parishes and finally, to all others.

Registration is considered complete when the non-refundable registration and technology fees are paid, and the online registration form and tuition agreement are completed via the TADS website.

Waiting List

A waiting list will be kept for grades that have reached maximum enrollment. Completed registrations are dated and numbered as they are received.

Authorization for Disclosure of Information to Catholic Schools

Frassati Catholic Academy may, at its own discretion, disclose the name, mailing address, and email address of your student(s) to other Catholic schools within the Archdiocese of St. Paul and Minneapolis. You have the right to withdraw this consent for future disclosures at any time. Such withdrawal is not retroactive. Any withdrawal of this consent must be done in writing to the principal of the school.

Communication

Guidelines for Effective Communication

The teachers and staff of Frassati Catholic Academy welcome you and your family to Frassati. We are grateful for the opportunity to collaborate with you in the education and formation of your child. We recognize you as the primary educator of your child and desire to work with you in helping your child become the person God created them to be. A successful collaboration requires timely and effective communication between the school and the parents. We have adopted the following guidelines to facilitate that communication. These guidelines describe the communication efforts of the administration and teachers, including the schedule and means of those communications. This document also outlines the process to be followed should you have questions or concerns about the life of your child at Frassati or the activities of the school.

Communication Process

A. Classroom Communication

The majority of information regarding your child will come from the classroom teacher(s). You are encouraged to be in regular contact with your child's teacher(s). If you have a question or concern about your child's classroom activity or performance, you are asked to communicate as follows:

1. Please contact your child's teacher first regarding classroom issues. The expectation is that the teacher will return a phone call or email from a parent within 48 school hours. A school day is defined as 7:00 AM to 2:30 PM (M-F). Parents may send an email outside those hours, but should not expect a response for 48 hours, unless it is an emergency. We hope that most questions and concerns will be resolved between the parent and the teacher. Parents are encouraged to meet personally with the teacher.
2. If a meeting between the parent and teacher does not resolve the issue to your satisfaction, then you are encouraged to contact the principal during normal school hours, unless it is an emergency.
3. If the matter is not resolved by the principal, then the parent is encouraged to contact the Moderator during regular school hours. In the case of an after-hours emergency, please call 651-429-7771 option 1 and request to speak with Fr. Talbot.

Our goal is to respond to your question or concern in a timely fashion, clearly identify the issue, and then work with you to resolve the issue in a way that best serves your child and Frassati.

B. School Policy Question

A parent with a question or suggestion about school policy may contact the school principal or one of the members of the School Advisory Council (SAC) (frassati-wbl.org/school-advisory-council). The expectation is that the principal or SAC member will respond to the parent within 48 school hours with an answer to the question or the process for obtaining an answer. Parents may bring their concerns to a SAC Meeting, which is normally held from 6:30 – 8:00 PM on the first Tuesday of every month (except July) at the school. Parents who want to be on the SAC agenda must contact the SAC Chair (sac@frassatiwbl.org) at least one week in advance.

Parents are encouraged to use the Facebook pages of the school to communicate news and photos with each other about life at Frassati. Parents are requested to respect the privacy of other children and families at Frassati and not use the pictures and names of children in activities at Frassati without the permission of the parents. Frassati reserves the right to remove inappropriate photos or photos for which permission was not obtained and to remove postings that do not further the mission of the school.

Change of Address/Phone Number

Changes in address, telephone number, or emergency contacts should be reported to the school office immediately. Up-to-date records are important in handling emergency situations.

Conferences

Student progress is reported through parent/teacher/student conferences throughout the year.

Since the student is the focus of the conference, he/she is expected to attend. If a parent wishes to discuss something without the child present, please call the teacher to make arrangements to do so. Conferences are a time for each child to sit down with his/her teacher and parent/guardian(s) to discuss progress, successes, and areas that need improvement. Additional conferences may be scheduled with individual teachers. Please contact your child's teacher to schedule the conference. Parent concerns with classroom policies, procedures and academics should initially be directed to the teacher.

Email

All teachers and most staff have email accounts available to communicate with parents. Email addresses are posted on the school website. Teachers and staff do their best to respond within 48 hours of receipt of an email. Any urgent matters should be phoned into the school.

Frassati Catholic Academy cannot guarantee the privacy of any email sent to teachers and/or staff. It is recommended that teachers and parents do not convey sensitive or personal information via email. It is best shared during a scheduled conference or private phone call. Email should only be used for general questions and to share non-sensitive comments and concerns.

Messages

Relaying messages to students is an interruption of the educational process. Therefore, only emergency messages should be called in to the office. Calls for teachers during the school day are directed to voice mail via the administrative assistant. Teachers check for messages at least once daily.

Non-Custodial Parents

Frassati Catholic Academy provides non-custodial parents access to academic records and other school related information regarding their child. If there is a court order specifying that no information is to be given, the custodial parent needs to provide the school with an official copy of the court order that outlines the rights and restrictions of the non-custodial parent.

Grievance Procedure

If a grievance between parents or a student and a teacher or school administrator should arise, the following grievance procedure shall apply:

- 1) The parent or student (grievant) will meet with the teacher to discuss resolution of the grievance.
- 2) If the grievance is not resolved (and/or involves a teacher), the grievant will meet with a school administrator. If the grievance involves school administrators the grievant will meet with the moderator, or his designee.
- 3) If the grievance is still not resolved, one of two approaches will be taken.
 - A. A policy grievance is addressed to the SAC.
 - B. A non-policy grievance is addressed to a grievance committee.
- 4) The Grievance Committee will be made up of three persons; one designated by the moderator, one designated by the respondent and one designated by the grievant.
- 5) The Grievance Committee will meet to receive evidence. It shall have the discretion to determine whether such evidence shall be written, oral or both.
- 6) At the conclusion of the meeting and upon due consideration, the Grievance Committee will make its recommendation to the moderator. (The committee shall not have the power to alter or amend school policies).

- 7) The moderator or his designee will then decide the grievance.
- 8) The grievance procedure should be completed within 60 days.
- 9) If the grievance determination is not resolved to the satisfaction of either party, a referral may be made to the Archdiocesan Conciliation Office. Nothing contained herein shall obligate either party to consent to conciliation or arbitration under the Archdiocesan Conciliation Office procedure.

Attendance

Attendance

Regular attendance and punctuality are essential. Make-up work cannot replace participation in class discussions and projects. Please make every effort to schedule family trips outside of school time. Trips often create instructional gaps that cannot be compensated for when the child returns.

*A student who is absent from school for a half day or more may not participate in an athletic practice or game or attend an extracurricular activity on that day.

Arrival and Dismissal

Supervisors are present for the arrival and dismissal of students.

Once children are dropped off at school, they should proceed to the waiting area or if the entrance is locked they should proceed to the school office. At the end of the day, students should be picked up by 2:20 PM. K-5 students in the building after that time will be expected to attend the Extended Day Program.

Tardy

It is the responsibility of each family to develop a system so that students arrive on time for school. Students who consistently arrive late for school are being deprived of social interaction, morning prayer, announcements and time to get organized. If a student arrives late, the student must report to the office before entering the classroom.

Classes begin at 7:35 AM. Students should be in their homerooms/classrooms by 7:35 AM or they are considered tardy.

Tardy Procedures:

1-4th: Warning

5th and 10th: Parent Letter

11th: Mandatory conference with the school principal. Student will not be allowed to return to school until parent/principal conference is held.

12th: Family may be referred to the Ramsey County Attorney's Office – Truancy Division

Reporting Absences

Students must be reported absent before the school day begins by calling 651-429-7771. If absence is due to travel or some other non-health reason, the parent/guardian should notify the school prior to the absence. School personnel will call parents/guardians if a child is absent or late and the school has not been notified. The school should be called each day that a child is absent.

Truancy

Parents and school officials have the duty (according to Minnesota Compulsory Attendance Law) to see to it that a child attends school. Under Minnesota State Law, a student who has three or more days of unexcused absence is considered truant. The burden of proof of a child being excused from Frassati Catholic Academy is placed on the parent/guardian of the child. Frassati Catholic Academy has the right to accept or deny parents' requests for excused absences.

Excused reasons for absence include:

- Illness (Frassati Catholic Academy may request doctor verification or that the child be brought to school to be seen by our health aide)
- Doctor's visit – includes mental health
- Religious holidays
- Family emergencies (e.g. death in the family, house fire, etc.)

Unexcused reasons for absence include:

- Staying home to baby-sit
- Overslept/Missed bus
- Too cold
- Needed at home
- Working/Employment
- Family Vacation

Pick-Up During School Hours

Parent/guardian must sign the student out at the school office before the student is allowed to leave during normal school hours unless preapproved by school administration.

School Closings

Early dismissals and school closures are announced on **WCCO-AM (830) Radio**. If White Bear Lake Public School District 624 is dismissed early or closed for the day, Frassati Catholic Academy (Preschool-Grade 8) and Extended Day are also closed. The White Bear Lake School Closing Hotline is 651-407-7540.

In the event of an early dismissal due to weather or emergency, the school will contact families. If no one can be reached, the child/ren will be supervised until alternative arrangements can be made.

Transportation

Buses

White Bear Lake School District 624 provides transportation for eligible students. Any questions regarding the buses should be directed to the White Bear Lake Transportation Office at (651) 407-7538.

If your child is to be transported by bus to a destination other than their designated destination a written request must be provided to the child's teacher or homeroom teacher. Requests must include the date, name of the child, and destination, as well as the parent/guardian's signature.

Each student is expected to follow all busing and school rules as listed below:

- All body parts must remain inside the bus at all times
- Be considerate of other people and their property
- Ride quietly and use appropriate language
- Listen and follow the bus driver's directions
- Follow the safety rules and remain in your seat
- Follow seating arrangements directed by the driver or school staff

Violations of any of these rules may be referred by the driver to the school principal. Upon receipt of a referral:

- A contact with the student and parents will take place.
- Upon subsequent referral for any violation of bus regulations, the student may forfeit his/her right to transportation for one week or any part thereof.
- Repeated violations may lead to discipline pursuant to the School Discipline Policy including, but not limited to, forfeiture of bus riding privileges for an additional time period, up to and including the rest of the year.

Bus transportation is a privilege and therefore, administration reserves the right to suspend any student, on first offense, for conduct which could threaten the safety of other students on the bus or any other conduct which is determined serious enough to warrant such action. It is the parents' responsibility to arrange for transportation during a bus suspension. Bus transportation is provided as a convenient and safe way to transport students to school and on field trips. Students who cannot or will not obey the School District bus rules and regulations may forfeit their right to the services.

Drop-off/Pick-up by Car

Students driven to and from school are dropped off and picked up in the bus-loading zone. Families can also drop off or pick-up students on the south side of 2nd Street.

For the safety of students, please do not stop in front of the main entrance to drop-off or pick-up students. Please remain in your car at all times and move forward as directed by staff greeters, approximately eight cars at a time.

In the morning, please unload quickly. Students exit vehicles curbside and use the sidewalk.

In the afternoon, car riders are picked up in the bus loading zone after all buses have departed. Students enter vehicles curbside only. Be alert and drive slowly! No cell phone use please!

Change in Transportation

Teachers document the means of transportation used by students in their class. Changes in transportation need to be sent in writing to the child's classroom teacher even if the change is only for one day. Please write this note on a separate piece of paper, rather than writing it in the child's assignment notebook.

Any last minute change to afternoon transportation for a student due to family emergency must be phoned into the school office. No email or voicemail will be acknowledged. Students are dismissed and at bus/car lines by 2:00 p.m. This policy applies to all students.

Field Trip Transportation

Other than walking, commercial carrier or contracted transportation is the only method used for transporting students to and from field trips. The use of private passenger vehicles is not allowed.

Non-Uniform Days

Periodically, students are allowed to be out of uniform. These days are often associated with holiday celebrations or other special events. The guidelines for these days are as follows:

- Attire must be neat with no inappropriate logos or terms.
- Clothing must not be ripped or torn.

- Hats and sunglasses may not be worn indoors unless specified.
- Out of uniform passes may not be used on days when students attend Mass or participate in field trips.

Student Footwear

Socks: Plain white or black crew height socks, knee highs, or anklets are allowed. Solid black or white leggings or tights may be worn under skort, skirt or shorts.

Shoes: Closed heel and toe, tie or Velcro shoes with non-marking soles. Crocs, shoes that light up, have sound effects, or wheels will not be allowed.

Uniform Noncompliance

Students are expected to be in uniform according to the guidelines. Students not following these guidelines will be corrected and receive a warning. Students who repeatedly ignore the dress code will be referred to school administration via the Jupiter Referral System and will be subject to the Student Code of Conduct.

Vendors for Uniforms

Uniforms can be purchased at Donald's Uniform Store or Land's End. Please be attentive to the khaki color of the uniform.

Winter Clothing

Students in grades K-5 are expected to go outside for a daily recess unless the temperature or wind-chill is unsafe. K-5 students are required to have boots, hats, gloves/mittens and snow pants when there is snow on the ground. Students who are not adequately dressed for the weather will still be expected to go outside; however, they will be restricted to a limited area of the playground.

Lunch and Recess

Frassati Catholic Academy provides a cold breakfast and a hot lunch daily through White Bear Lake Area Schools. Breakfast cost is \$2.60 and lunch is \$3.70. Milk is included with breakfast and lunch. Additional milk or milk for those with bag lunches is \$0.60.

Family Lunch Accounts

Payment for meals is computerized. Each family has an account where funds are kept to offset hot lunch costs. Each student has a unique PIN number, which he or she enters into the computer while proceeding through the cafeteria line. The hot lunch system sends out weekly emails to families with a balance less than \$10.00. Please remit lunch payments to the school office.

Free and Reduced Lunches

Information on free and reduced student lunches is published and distributed to families annually. Families that may qualify are encouraged to apply. This not only helps individual

families, it also helps the school to qualify for additional funding in other areas. A family can apply anytime during the year if family size or income changes.

PIN Policy

Student Hot Lunch Personal Identification Numbers (PINs) are assigned upon enrollment in the school. If a student should un-enroll, the PIN is terminated. If the student re-enrolls at a later date, a new PIN is assigned. All PIN entries are supervised and verified by paid staff at the point of sale during each lunch period. In the event of a lost or stolen student PIN, school administration will reassign a new number for the student.

Lunchroom Behavior

Students are expected to wait patiently in the cafeteria line, remain seated at the tables, practice good table manners, use an “indoor voice” and clean up after themselves. Children are not allowed in the kitchen and serving areas.

Playground and Recess

The adults on the playground, whether staff or volunteers, are direct supervisors who have responsibility to address unsafe play. Students are expected to know and follow the playground safety rules.

Students in grades K-5 are expected to go outside for daily recess, weather permitting. If the temperature or wind-chill is below -15 degrees Fahrenheit, if it is raining, or at the discretion of administration, students will have supervised activities in the classrooms.

Health and Safety

Asbestos Notification

As a result of federal legislation (Asbestos Hazard Emergency Response Act – AHERA), each primary and secondary school in the nation is required to complete stringent inspections for asbestos and to develop a plan of management for all asbestos-containing building materials. Frassati Catholic Academy is in full compliance with this law. As a matter of policy, Frassati Catholic Academy shall continue to maintain a safe and healthy environment for youth and employees.

Frassati Catholic Academy conducts the following with respect to its asbestos containing building materials: All asbestos containing materials were maintained under the operations and maintenance program.

Health and Emergency Cards

At the beginning of the school year, a health and emergency card must be verified for each child. This card has the home phone number, parent/guardian work number and phone numbers of friends and relatives who may be contacted in an emergency. It is essential that this record be kept current. Please notify the office of any change in address or phone number.

Health Records

Health records are maintained for each student. The health record includes a copy of the birth certificate, results of required health exams, screenings, immunizations and specific health concerns or conditions.

Kindergarten students are required to have a physical exam prior to starting school. It is highly

recommended that students have a physical before entering seventh grade.

Health Services

A health aide is onsite during school hours. Office personnel cover the health office when the health aide is unavailable. The health aide will administer first aid in emergencies, contact parents of sick children, maintain health records, and do annual vision and hearing screenings.

Illness and Injury

The health aide or administrators approve the dismissal of a student who becomes ill or hurt during the school day. Parents/guardians are notified when the illness is reported. If parents/guardians are unable to come for the student, they must make arrangements for a relative or other authorized person to pick-up the student at the school office.

Parents will always be contacted about serious injuries and all head injuries. In cases of emergency, the school attempts to reach the parent/guardian before taking any action; however, the immediate safety of the child is given first consideration in any action.

If a child is ill or injured and unable to participate in Physical Education activities, please send a note stating the reason and the length of time the child will be unable to participate. Students are expected to participate in PE classes unless a note is received from the parent or guardian.

Children must be kept home if they have any of the following symptoms:

- Fever
- Diarrhea
- Vomiting
- Rash that is spreading
- Eye drainage
- Difficulty breathing
- Uncontrolled coughing

Immunizations

Before children attend a Minnesota school for the first time, they must be immunized against diphtheria, tetanus, pertussis, polio, measles, mumps, hepatitis B, varicella and rubella. Students entering grade 7 have additional immunization requirements. These requirements can be waived only if properly signed medical or conscientious exemption is filed with the school. School admission may be revoked if this requirement is not fulfilled (Minnesota Statutes Section 123.70). Parents and guardians are responsible for keeping health and immunization information current.

Mandatory Reporting of Child Abuse/Neglect

School staff is legally required to follow the requirements of Minnesota law pertaining to reporting child neglect and abuse, which may be summarized as follows:

Staff members are required to report a suspected case of child abuse/neglect to the local law enforcement agency or social service agency. This must be done if they know of or have reason to believe there is abuse or neglect presently or has been within the past three years. A written report must be filed within 72 hours of the verbal report.

Neglect is defined as failure to provide food, clothing, shelter or medical care and prenatal exposure to controlled substance.

Abuse can be physical or sexual abuse or emotional maltreatment.

Medication

If a student must take medication long-term (longer than a consecutive two week period) during school hours, Frassati Catholic Academy requires a licensed physician's signature and medication order for both prescription and over-the-counter medication. Signed parental permission is also required for short-term or long-term medication. Medication must be sent to school in a current labeled prescription bottle or in the original over-the-counter container. The health aide or office personnel administers medications. Parents are responsible for keeping the school informed of changes in the student's health or medication.

Pesticides

Frassati Catholic Academy abides by Minnesota State Law requiring schools to inform parents and guardians if pesticides are applied on school property and the long-term health effects on children from a pesticide application or the class of chemicals to which they belong. It is school policy not to apply pesticides while children are present. If a situation arises that warrants an application of a pesticide, parents will receive notification prior to an application of the pesticide and the class of pesticide.

Pets

Frassati Catholic Academy follows the Minnesota Department of Health recommendations regarding pets/animals in school classrooms. Pets allowed (after parent notification by the teachers to identify children with allergies) include: guinea pigs, gerbils, domestic-bred mice, rabbits, hamsters, birds, dogs and cats. Animals that are not recommended are reptiles (lizards, turtles, snakes, and iguanas), poultry (chickens and ducks) and wild animals. All visits of family pets to classrooms need to be reviewed with the classroom teacher prior to arrival.

Safety Drills

Students participate in safety drills to learn to quickly evacuate the building or go to a place of safety. During drills, students are expected to walk and observe silence at all times. Five (5) fire and five (5) lock-down drills are held during the year to make safety procedures a familiar routine. A "duck and cover" tornado drill is held annually in the spring. The school does not answer phone calls during a tornado warning. In the event of a bomb threat, the fire drill evacuation plan is followed.

Security

In order to provide for the safety of students and staff the following procedures are followed:

- All employees must wear proper identification.
- All entrances (with the exception of the main entrance) are locked at all times.
- Visitors can gain access to the building through the main entrance off the parking lot.
- All visitors must report to the office reception area to sign-in and pick-up a visitor's badge to wear.
- Children must be checked in and out by parents or guardians once the school day has officially started.
- Staff and students will be actively involved in identifying the people in the building and instructed how to respond if they see someone without proper identification.

Visitors

All visitors, (including parents and guardians) shall enter through the main entrance, sign-in at the school reception desk during school hours, and receive a visitor's badge. No visitors,

including parents and guardians, will be allowed to interrupt instructional time in the classrooms without permission from office personnel. Any items forgotten at home must be dropped off in the school office.

Academics

Class Placement

Administration and the previous year's teachers spend considerable time in assigning students to classrooms. The goal is to balance classes according to boy/girl ratio, academic ability, social-emotional issues, work habits and special learning needs. If a parent/guardian believes there is information the principal should have about his/her child, such written communication should be provided to the principal before the end of the school year. This communication should identify specific educational concerns, not a request for a specific teacher.

Class Size

School administration will be responsible for ensuring that the educational needs of the students are met with high quality.

Curriculum

A variety of teaching strategies and materials are used to meet the individual differences and learning styles of children. Curriculum offerings include:

Kindergarten-Grade 5

Religion, mathematics, language arts (reading, writing, spelling, speaking and listening), handwriting, social studies, science, health, art, physical education, reference skills, technology (computer literacy and word processing), Spanish and music.

If a student shows exceptional aptitude in mathematics as determined by the three criteria listed below, Frassati Catholic Academy will follow the Exceptional Math Performance Plan:

1. Student must have attained 95th percentile on their fifth or sixth grade Spring NWEA MAP Math Assessment.
2. Student must have attained a cumulative 3.75 GPA in Math for the entire school year during fifth or sixth grade.
3. Student is self-motivated and an independent learner as determined by their teachers and parents.

Exceptional Math Performance Plan:

1. A team meeting with school administration, faculty, and parents will be scheduled to discuss a plan to best meet the needs of the student.
2. If deemed appropriate, the student will be assigned a customized online math course. The student will be responsible for completing the assigned course material with 95% accuracy on all summative assessments.
3. The student online math course will be monitored by the math teacher assigned to that grade level.

4. The student will receive assistance during work time as do all students in the class.
5. Additional support will be provided after school as needed.
6. No additional tuition will be charged if an Exceptional Math Performance Plan is implemented.

Questions regarding the math curriculum or your child’s individual situation should be directed to the principal.

Learning Assessment

Student progress is monitored and assessed through:

- Portfolio assessments
- Self-assessments
- Subject area developmental scales
- Health related fitness tests
- Teacher designed tests and checklists
- Interviews and conferences
- Teacher observation and reflection
- Standardized tests (grades 2-8) NWEA Map Assessment (Fall, Spring)
- Trimester interim and progress reports

Grading Scale for Grades 4-8

70% - 72%	C-
67% - 69%	D+
63% - 66%	D
60% - 62%	D-
59% & below	F

Field Trips

Field trip experiences are designed to support the curriculum and introduce the students to community resources. Students are expected to participate in field trips, exhibit appropriate behavior and wear uniform attire. Notification is sent to parents/guardians if students need to wear clothing other than the uniform.

Archdiocesan insurance regulations require the use of the parent and guardian authorization form **each time** students participate in a field trip. Failure to return the form means that the student may not go on the field trip and must remain at school. Phone calls to or from parents and guardians do not fulfill authorization requirements for participation (Archdiocesan Guideline #6630, Catholic Mutual Form). A fee is associated with most field trips. Refunds are not

provided for missed trips.

For safety reasons, siblings or other children may not accompany chaperones on field trips.

Middle School Trips

The middle school students will participate in a variety of field trip experiences:

- ELC – Sixth graders will attend an Environmental Learning Center (ELC).
- Washington, D.C. – Seventh and eighth graders will visit Washington, D.C. each May.
- End of Year Field Trip – Students will participate in an end of year trip. (Possible venues include Valleyfair, MN Twins game, Water Parks, etc.)

Criteria for Honor Roll:

High Honors: 3.7 and higher

It is school policy that all students, including non-Catholics, attend religious instruction and liturgies.

Standardized Testing – NWEA Map Assessment (Grades 2-8)

Standardized testing is essential to assessing student progress. It is important that students be present during testing. Please do not make any appointments for your children during testing weeks. Check the school calendar for testing dates and plan accordingly.

School Environment

Introduction to the Code of Conduct

Frassati Catholic Academy believes that the goal of the Code of Conduct is for students to learn and develop respect, compassion, integrity, and self-discipline. This goal will encourage academic success and preparation for a successful Christian life.

Bullying Policy

Preamble

Created in the image and likeness of God, each child shares a fundamental human dignity. A Catholic school provides an environment dedicated to protecting and fostering the development of that dignity. The school helps children learn how to exercise their God-given freedom responsibly, with the goal that good choices become good habits, that is, *virtues*. The highest virtue is charity, which God both requires and makes possible. "Here is my commandment," says Jesus, "that you love one another as I have loved you." As bearers of the divine image, members of the school community deserve care and respect from all. Bullying and Retaliation will not be tolerated.

This policy serves as a guide for when expectations of respect are not met, and for when reconciliation and restitution are needed.

Four Main Types of Bullying

1. Physical bullying is when a student uses physical force to hurt another student by hitting, pushing, shoving, kicking, pinching, or holding the student down. Physical bullying also includes taking or breaking a student's belongings or stealing or extorting money.

2. Verbal bullying is when a student uses words to hurt another student. This includes threatening, taunting, intimidating, insulting, sarcasm, name-calling, teasing, slurs, graffiti,

putdowns, and ridicule. It also includes hostile gestures such as making faces, staring, eye-rolling, and spitting at the student.

3. Relational bullying occurs when students disrupt another student's peer relationships through intentionally leaving them out, gossiping, whispering, and spreading rumors. It includes circumstances in which students turn their back on, give the silent treatment, ostracize, or scape-goat another student.

4. Cyber-space bullying refers to the use of cell-phones, text messages, e-mails, instant messages, web blogs, and postings to bully another student in any of the ways described above. Examples of cyber-space bullying are sending threatening or insulting messages by phone and e-mail and spreading destructive rumors. Bullying is also harassment when the bullying is a part of a continuum of student violence, and may at times, amount to harassment. Harassment occurs when a student is the recipient of threatening, disturbing, or unwelcome behaviors because of a particular characteristic.

Clarifying Definitions

For purposes of this Policy, the following definitions shall apply:

“Aggressor” means a student who engages in Bullying or Retaliation.

“Bullying” is the repeated use by one or more students of a written, verbal, or electronic expression, or a physical act or gesture, or any combination thereof, that is objectively offensive, is directed at a Target, and that:

- causes physical harm or emotional harm that results in clearly identifiable physical symptoms to the Target or places the Target in reasonable fear of such harm;
- causes damage to the Target's property;
- places the Target in reasonable fear of harm to him/herself, or of damage to his/her property;
- creates a Hostile Environment at school for the Target;
- infringes on the rights of the Target at school, including defamation and invasion of privacy; or
- materially and substantially disrupts the education process or the orderly operation of a school.

For the purpose of this Policy, whenever the term "Bullying" is used it is to denote either Bullying or Cyber-Bullying.

“Cyber-Bullying” means Bullying through the use of technology or any electronic communication, which shall include, but shall not be limited to, any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature, including a post on a social network, Internet Web site or forum, transmitted through a computer, cell phone, or other electronic device.

“Hostile Environment” means a situation in which Bullying causes the school environment to be permeated with intimidation, ridicule or insult that is sufficiently severe or pervasive to materially and substantially alter the conditions of the student's education.

“Retaliation” means any form of intimidation, reprisal, or harassment directed against any person who reports Bullying, provides information during an investigation of Bullying, or

witnesses or has reliable information about Bullying.

“School Grounds” mean property on which a school building or facility is located or property that is owned, leased or used by a school for a school-sponsored activity, function, program, instruction or training.

“Staff” includes, but is not limited to, educators, faculty, administrators, counselors, school nurses, cafeteria workers, custodians, bus drivers, athletics coaches, advisors to extracurricular activities, support staff, and paraprofessionals.

“Target” is a student against whom Bullying or Retaliation has been perpetrated.

Prohibition Against Bullying and Retaliation

The school expressly prohibits bullying in all forms, either by an individual or group of aggressors.

Bullying, including cyber-bullying, is prohibited:

- On School Grounds owned, leased or used by a school;
- At any school-sponsored or school-related activity, function or program whether on or off School Grounds;
- At a school bus stop;
- On a school bus or any other vehicle owned, leased or used by the school; or,
- Through the use of technology or an electronic device owned, leased or used by a school;

Bullying is also prohibited at a location, activity, function or program that is not school-related. Similarly, the use of technology or an electronic device that is not owned, leased or used by a school to commit an act or acts of bullying that materially and substantially disrupt the education process or the orderly operation of a school is also prohibited.

Reporting

Any staff or volunteer who has witnessed or become aware of any instance of Bullying or Retaliation must report that act to the Principal or another school official designated by the Principal. In the selection of this person, care should be taken that both a male and female school official are designated to receive reports of bullying.

Any student or parent/guardian of a student is strongly encouraged to report all acts of bullying. Reports can be made to the student’s teacher, who must then report it to the Principal, or directly to the Principal.

Anyone with general questions or concerns about bullying or the school’s policy should address those questions or concerns to the Principal.

Reports may be made confidentially when requested.

Reports may be made anonymously. The anonymous nature of the report may make it difficult to investigate or corroborate the alleged bullying. No disciplinary action may be taken against a student solely on the basis of an anonymous report.

False accusations of bullying are absolutely prohibited and may result in discipline in accordance with the school's discipline policy.

Retaliation

Retaliation against a Target, witness of Bullying, a person who makes a good faith reporting of Bullying, or who provides information during an investigation of Bullying, is prohibited.

Response and Investigation

The school takes seriously all reports of bullying.

Upon receipt of a report of bullying the Principal or his or her designee will conduct an investigation. When possible, the investigation will begin within three school days of the report of bullying.

Anyone with questions about the investigation should direct those questions to the Principal.

Violations

A student who violates this policy shall be subject to discipline in accordance with the School's disciplinary policy.

The School retains the sole discretion to determine whether Bullying has occurred and what the response should be.

Depending on the circumstances, the School's response could include:

To ensure the safety of students using the playground, the school has scheduled supervisors to monitor the play. Students are expected to know and follow the playground safety rules. Some typical assemblies include: plays, concerts, speakers, cultural presentations, etc. Special attention to etiquette and good citizenship and Christian hospitality is expected of all participants. Parents are welcome to attend assemblies.

Athletics

Frassati Catholic Academy Athletic Department participates in the Catholic Athletic Association (CAA). Band

Band lessons are provided by an outside vendor for students in grades 4-8. Parents are billed and make payment directly to the vendor.

Birthday Treats

Birthdays are celebrated at Frassati Catholic Academy. Students have their names announced over the PA system on the morning of their birthday or the following Monday, if the birthday is on the weekend. Individual classrooms have traditions that help make our students feel special. Families are allowed to send in a small edible or non-edible treat, if they desire. **In order to**

- Edible treats must be consumed in the cafeteria at lunch time after the students have finished their meal.

Party Invitations

Party invitations should not be distributed in school unless a boy decides to invite all the boys in his class; a girl decides to invite all of the girls in her class; or, a child decides to invite **all** classmates. Thank you notes should not be sent to school.

Extended Day

Frassati Catholic Academy provides an on-site after school childcare program on all regular school days. The after school hours are from dismissal until 6:00 PM. Extended Day services are not available on school holidays or days when school is closed due to inclement weather. Refer to the Extended Day Handbook for additional information and guidelines.

Preschool

Frassati Catholic Academy operates a state licensed preschool for children ages 3-5.

Promotion/Retention

Promotion or retention is based on academic achievement, physical, emotional, psychological and developmental maturity. Parents/guardians are notified of a child's progress on a consistent basis. If a recommendation to retain a child is rejected by parents/guardians, they must sign a written acknowledgment of the school's recommendation.

Student Ambassadors

In keeping with the seven themes of Catholic Social Teaching, this group will function as a coordinator and liaison with regard to service to our school, our parish, and our greater community.

Student Ambassadors will function as a governing and leadership body to organize events within Frassati Catholic Academy.

Sixth through eighth grade students are eligible to apply for this council. Middle school students take part based on their application. The make-up of the group will be a president, a vice-president, a secretary, and a grade representative from each grade six through eight.

Safety Patrols

Middle School students in grade six serve on the Safety Patrol. These students assist walkers in crossing the intersections between school and church on Mass days.

Service Projects

Students have several opportunities to participate in service projects on a class-wide and/or school-wide basis. Through participation in service projects, students learn that they can have a positive impact on the people and the world around them. School service projects help to develop problem-solving skills, social cooperation and practice the values of courtesy, respect, kindness and giving. Some examples of service projects include Birthday Boxes, food drives, and Advent/Lenten outreach projects.

Student Records

Records are maintained for each child attending Frassati Catholic Academy. These records are kept in order to keep the child's educational history and progress current.

If a family wishes to have records transferred to another school, the family must sign a "record release" form at the new school. Upon receipt of the request, Frassati Catholic Academy will forward student records. No records are transported via the family.

Textbooks/Instructional Materials

Textbooks and instructional materials that the students use are the property of Frassati Catholic Academy or the White Bear Lake Public School District 624. The students are responsible for maintaining proper condition of these books and materials. Parents/guardians of students who lose or damage textbooks or school materials are responsible for replacement costs.

Parent Activities

School Advisory Committee (SAC)

The School Advisory Committee is comprised of members from the school families and the parishes. Each meeting has time allotted for an “open forum” where parishioners or school families may express their requests, views or concerns. An “Issue Discussion Request” form may be obtained from the school office.

Property

Care of Property

Each student and adult is expected to take care of school property. Destruction and/or defacing of school property will not be tolerated. Damaged property caused by carelessness or misuse will result in monetary and/or work restitution.

Lockers

Lockers are the property of Frassati Catholic Academy, and are assigned for school use only. It is the responsibility of the student to keep the locker in neat order. It is recommended that students in grades 5-8 use combination locks to secure the lockers, with a copy of the combination being kept with the homeroom teacher. For the safety and benefit of all students, school officials reserve the right to inspect lockers at anytime. Students are not to place stickers on or in their lockers in order to help maintain the orderly appearance.

Lost and Found

The lost and found area is located in the middle stairway, lower level. Students are encouraged to check for lost items when something is missing. Items will be displayed during school conferences. All lost and found items that remain after conferences and at the end of the year will be donated to an appropriate charity. Please label all student property.

Valuables

The school staff and administration are not responsible for valuables students bring to school. If a special circumstance makes it necessary for a student to bring things of value to school, these items can be left in the school office.

Miscellaneous

Elevator Use

Elevator use is for handicap accessibility. Students use the stairs unless an injury makes that impossible or they are directed to use the elevator.

Vending Machine

A beverage vending machine is located near the gymnasium. Use of vending machines is limited to after school hours.

Finances

Tuition and Fees

The School Advisory Committee sets an annual tuition rate. The tuition charged represents only a portion of the actual cost of educating each student. Parish subsidy, fundraising and state funds provide the remainder of funding toward the per pupil cost.

Tuition and fee schedule for 2018-2019:

K-8 Tuition: \$4,575 + Fees

Fees applicable to all students

Registration\$100, \$150 or \$200 per child – based on registration date

Technology Fund.....\$100 per child

*Fees are non refundable.

As part of their tuition package, each family is expected to:

- Offer 20 hours of volunteer time yearly, or be billed \$12.50 per hour at the end of the year. Families are responsible for recording their volunteer hours in the office. Families may count 5 hours of volunteer time for participating in the Frassati 5K and 5 hours for attending the Spring Gala.
- Contribute \$500 towards fundraising efforts. Families who have raised this amount by April 15, 2019, will receive four complimentary tickets to attend the Spring Gala.

Tuition Assistance

Tuition assistance is available. Contact the school office regarding application procedures.

Delinquent Tuition and Fees Payment Policy

Tuition and fees constitute the largest percentage of income for Frassati Catholic Academy. The school needs each Frassati family to pay the tuition and fees of their students in a timely fashion so that we can compensate our staff and pay the other costs associated with operating a school. The family of each student is responsible for honoring their tuition agreement by making payments according to due dates or contacting school administration should they experience an unexpected financial hardship. These special circumstances are normally related to family emergencies, such as illness or loss of employment.

When payments are not made in the manner described in the signed tuition agreement, the following procedures will be followed:

30 Days Past Due

- The family shall receive written notification that their account is past due, a copy of their past due invoice, and a copy of this policy.
- The family must contact school administration within five (5) business days of the receipt of the past due notice and correct the situation.

60 Days Past Due

- The family shall receive written notification that their account is past due, a copy of their past due invoice, and a copy of this policy.

- The School Moderator will be informed of the family account balance and lack of activity.
- Students are subject to dismissal from Frassati Catholic Academy.
- Students will not be permitted to participate in athletic activities or other extra-curricular activities until payments are current or an alternate payment plan is submitted by the family and approved by school administration.
- Students will not be permitted to re-register for the following academic year until the balance is paid in full or an alternative payment plan is submitted by the family and approved by school administration.

90 Days Past Due

- The family shall receive written notification that their account is past due, a copy of their past due invoice, and a copy of this policy.
- The School Moderator will be informed of the family account balance and lack of activity.
- Students shall be dismissed from Frassati Catholic Academy.
- Other Archdiocesan Catholic schools will be informed of delinquent tuition and fees should Frassati Catholic Academy receive transcript requests.
- Delinquent accounts may be pursued in civil court or turned over to a collection agency.

Families of Eighth Grade Students with Delinquent Accounts

- All account billing and fees for 8th grade students must be paid by May 1 of that academic year or families must submit an alternative plan that is approved by school administration.
- Eighth grade students with past due tuition or fees will not be allowed to participate in the graduation ceremony until the balance is paid in full or an alternative payment plan is submitted by the family and approved by school administration.

Alternative Payment Plans

- A family with a financial emergency may propose an alternative payment plan to the school principal.
- Alternative payment plans must be submitted in writing by the family and are not effective until and unless approved by school administration in writing.
- Failure to comply with approved alternative payment plans will result in student withdrawal from Frassati Catholic Academy.

Grievance Procedure

Please follow the grievance procedure outlined on page ten of the Family Handbook.

Frassati Catholic Academy encourages all families to have open communication with school administration regarding the family's financial circumstances. This ensures a greater likelihood that the education and formation of each student will continue uninterrupted and the effective operation of the school be maintained.

Government Programs

Bus Transportation

Minnesota public school districts must provide “equal transportation” within district boundaries at no charge to families. White Bear Lake School District 624 has sole discretion, control and management of scheduling, routes, bus stop locations and discipline.

Textbook Aid

Funds, supported by tax dollars, are allocated by the State of Minnesota for aid to non-public schools. Parents must sign a form requesting this aid at the beginning of each school year.

Health Aide and School Nurse

Funds allocated for Health Services provide Frassati Catholic Academy with the services of an on-call school nurse and a health aide on site five days a week. White Bear Lake School District 624 employs the school nurse and Frassati Catholic Academy employs the health aide.

National School Lunch Program

Frassati Catholic Academy participates in the National School Lunch Program using services provided through White Bear Lake Area Schools.

Special Education Services

Students attending Frassati Catholic Academy are eligible to receive special education services through White Bear Lake School District 624.

Volunteer Handbook

Dear Frassati Parents and Guardians:

We are grateful that you have chosen the faculty and staff of Frassati Catholic Academy to join with you in the exciting work of educating and forming your child. An important component of Christian formation is helping our young people learn the virtue of service taught to us by Christ. His life of service for others teaches us how to be people of service. As parents and guardians, teachers and priests, we have an obligation to model the Gospel call of service to our young people.

Studies show that parental involvement in a child's education is one of the most important factors in raising student self-esteem and academic achievement. Volunteering your time and talent teaches our young people that you are invested in their lives and in their education. We so strongly believe in the importance of your involvement that we require every family to offer 20 hours of time to the school community.

We realize that each of our families is unique, with their own priorities, needs, talents, and time constraints. Therefore, we have compiled this handbook, which has a variety of opportunities for parental involvement that can fulfill your 20 hours of volunteer time.

We look forward to working with you to educate, form and inspire our young people to be the virtuous and servant leaders of tomorrow.

In Christ,

Father Talbot- Moderator
Father Bambenek- Chaplain
Mr. Gallivan- Principal

Volunteer Guidelines

These mandates are important to:

1. protect our young people;

Our school relies on your support. We ask that you honor your volunteer commitments. Please be responsible for completing volunteer expectations, having timely attendance, and notifying an appropriate staff member of an absence.

Confidentiality

When volunteers are working at school, they are held to the same expectation of confidentiality as staff. In the course of your volunteer work at Frassati, you may learn confidential information about students or teachers. You are expected to keep this information confidential in any setting inside or outside the school, just as you would wish your own privacy rights to be respected. Volunteers should never share knowledge of student academic work or ability if they are involved in testing or correcting student work. At the same time, volunteers must understand that there are times when student confidences cannot be kept. If a student confides he/she is being abused, bullied, or has a desire to harm self or another person, that confidence **must** be reported to an appropriate staff person.

Upon arrival at school, please go directly to the school office and 'sign-in'. Please note the reason for your visit, take a Visitor label, and wear the label at all times you are in the school building. When you have finished volunteering, please sign-out.

It is preferred that guests and visitors park in the school's East parking lot. Parking is also available on Second Street and in the parking lot on Bald Eagle Avenue and Second Street.
